What is a 5-Day Club®?

It is a mini VBS coming to your location. The 5-Day Club meets for five consecutive days, one hour each day. Children gather to hear Bible stories, sings songs, learn Bible verses, listen to a missionary story, and play games. During this summer the theme will be *One Way* – five lessons on God's plan for man.

- Cain and Abel Come to God
- The Prodigal Son Returns
- Naaman Follows God's Instructions
- Christians Pray for Peter
- Samuel Obeys God's Call

What Do Hosts do?

As a host, you provide a location for the club and invite children ages 5-12 to come. If possible, provide a simple snack for the children – this is your only expense for this program. We also ask you to provide at least one person to sit with the children during club and help solve discipline problems that may occur.

Who Does the Teaching?

High-school and college-age youth are prepared in the CEF Christian Youth In Action® (CYIA®) training program. 2-4 youth will come to conduct each club. They are supervised by Christian adults who have received comparable training. All workers have had a national background check and are approved for children's work.

How Does One Schedule a 5-Day Club?

Fill out and return the registration form below. Please make sure to put your choices for dates and times and *make yourself a copy of the form*. We will fill requests on a first-come-first-served basis. However, if a club will be in a distant location, we will attempt to schedule all clubs for that week in the same area.
