GREENVILLE/PIEDMONT GOOD NEWS CLUBS®

A Ministry of Child Evangelism Fellowship®

CEF® is a Bible-centered worldwide non-denominational ministry which began in 1937 and is dedicated to the evangelization and discipleship of children around the world. The CEF Greenville/Piedmont District is an independent local chapter which began in 1987 and serves the children of Greenville, Anderson, Pickens, and Oconee Counties.

GOOD NEWS CLUB®

This fun, evangelistic after-school Bible club for boys and girls ages 5-12 meets one hour a week in public elementary schools and community centers. The Good News Club is led by volunteers from local churches who teach God's Word to the children during the school year.

Christian teens, who desire to make their summers count for Christ, work as missionaries and lead Good News Clubs all over the Upstate. A summer Good News Club lasts an hour a day for one week and meets in recreation centers, child care centers, and homes—anywhere there are children.

Learn more about the Good News Clubs at www.cefgreenville.com.

GOOD NEWS CLUB® ONLINE

Not all children can come to a Good News Club, but all children who have access to a computer can still participate online by going to www.mygoodnewsclub.com. Children will hear life changing Bible lessons, memorize God's Word, play an interactive review game to reinforce the truths of each lesson, and sing songs. All aspects of the Good News Club lead the children to Jesus Christ and teach them how to grow in their relationship with the Savior.
