

# DOES THIS DESCRIBE YOU?

You have been a Christian for more than two years.

You have a really good relationship with God but you would really like to grow to know Him even more.

You believe God's Word and want to obey Him completely.

You pray often and want to know what God's will is for your life.

You want to really make a difference in this world, not just talk about it.

You would like to share your faith with others but just don't know how or what to do.

You wish you could be more prepared to help in your church with ministries and missions opportunities.

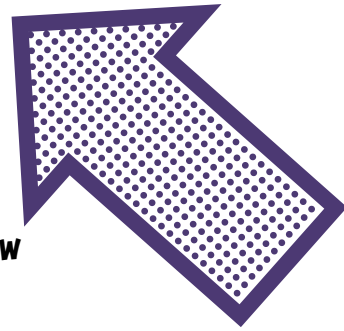

You love going on youth trips during the summer but wish they had more impact in the lives of other people.

You hear your pastor, youth pastor, or parents say you need to prepare for your future. You believe that is true but wish you had more direction.

## SUMMER 2024

Strengthen your faith as you share the Gospel with children this summer

Greenville/Piedmont Chapter

“ I thank God for Christian Youth in Action! The training I received and the friendships I gained were great, but they are small compared to leading a child to Jesus. ”

-Erica, high school senior & 1st year *CYIA*™ summer missionary

## WHAT IS CHRISTIAN YOUTH IN ACTION?

*Christian Youth in Action*®, or *CYIA*™, is a missions program specifically designed for high school and college age students. Training, materials and ministry opportunities are provided to help students confidently share their faith with children in their very own communities. Each year approximately 40 students across SC reach out to nearly 4,000 children throughout the state.

## WHO CONDUCTS CYIA?

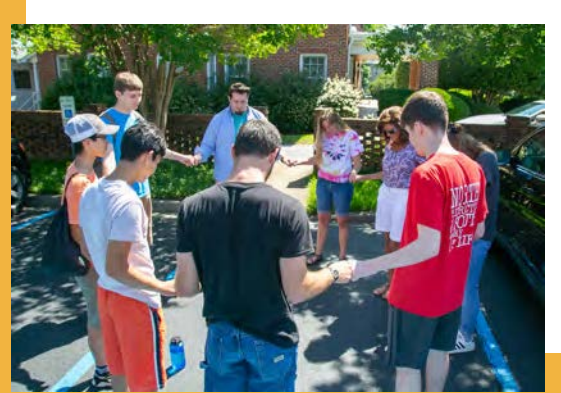

*CYIA* is a summer ministry of *Child Evangelism Fellowship*® (*CEF*®). *CEF* is an international ministry to children which began in 1937. *CEF* is in almost every country around the world. Learn more about *CEF* in South Carolina at [www.cef-sc.org](http://www.cef-sc.org).

## WHAT CAN I EXPECT WHEN I JOIN?

There is an application process. The dates for the summer, including training, can be found on the back of this brochure. Learn more about summer employment at [www.cefgreenville.com/cyia](http://www.cefgreenville.com/cyia) or call (864) 292-5842. Apply NOW!

## HOW WILL I GROW IN MY RELATIONSHIP WITH GOD?

You will discover God's design for you through powerful chapel speakers and encouraging times of worship. Students learn the strength of praying with peers and times of personal reflection. It will be a summer unlike any other.

## WHERE IS THE TRAINING HELD?

Some of your training will be held at your local *CEF* office. However, the main Training School is held at Columbia International University in Columbia, South Carolina. There is a cost for your materials, training, meals and lodging.

Your local *CEF* representative will help you discover ways of inviting others to invest in your missions training to help cover some of the expenses.

## WITH WHOM SHOULD I EXPECT TO SERVE ?

Students serving in *CYIA* come from different church backgrounds throughout South Carolina. They are a beautiful blend of color, interests, personalities and talents. Each person who serves has a place to be an encouragement to other students while preparing for the mission to reach children with the Gospel.
